

In-Kind Contribution Form

Thank you for your in-kind contribution to First Tee — Oakland! Your contributions will ensure that all participants have access to the appropriate golf equipment to make their learning experience a positive one.

We accept junior and adult clubs (women's are preferred, as they are lighter) in good condition, bags and tees. No golf balls are needed at this time.

Items may be dropped off **by appointment only** at Metropolitan Golf Links. We cannot accept items at our program location without an appointment.

Please contact **Rebecca Martinez** with questions or to make a drop off appointment – **510.636.5794**.

Provide your contact info and a list of your items below, so that we may send you a receipt.
